### Intimate Dinner at Shops at Bal Harbour

Matthew Whitman Lazenby, third generation of Bal Harbour Shops, hosted an intimate candlelit dinner in the luxury outdoor shopping destination's center courtyard to celebrate the 50th anniversary and redesign launch of BalHarbourShops.com. Attendees enjoyed an elegant three-course dinner and sipped Casamigos Spicy Jalapeno Cucumber Margaritas in the tropical, open-air setting. They each received personalized gift bags containing Aesop skin care products, gift cards from GEE Beauty and Red Market Salon for beauty services and SoCozy shampoo. Photography by World Red Eye
